ACTON BOARD OF HEALTH

March 1, 1989

To: *Doctor Inc.*

From: Acton Health Department

Re: Scheduled fee for Hazardous Materials Permit

Enclosed is the fee schedule for the Town's Hazardous Material Permit.

The fees are established on the bases of the amount of waste generated by your facility or the total square footage of floor space your company occupies.

Please send a check payable to the Town of Acton for the appropriate amount that applies to your business. This fee must be collected before the permit is issued.

Thank you.

Your Company initial fee is \$150.00

**HAZARDOUS MATERIALS STORAGE PERMITS
FEE SCHEDULE**

Initial Storage Permit Fee

Large Scale Hazardous Waste Generator	\$625
Small Scale Hazardous Waste Generator	\$150
Large Scale Non-Generators greater than 10,000 sq. ft. floor space	\$225
Small Scale Non-Generators less than 10,000 sq. ft. floor space	\$150

Annual Permit Fee

Large Scale Hazardous Waste Generators	\$125
Small Scale Hazardous Waste Generators	\$ 90
Large Scale Non-Generators greater than 10,000 sq. ft. floor space	\$ 60
Small Scale Non-Generators less than 10,000 sq.ft. floor space	\$ 45

Nov 28, 1988

John Shay/ Palates Delite Occupancy Modification

Mr. Shay would like to modify conditions from a previous occupancy permit in order to add the brewing and serving of coffee on a take out basis and also to perform limited food preparation. The Board's chief concern in this matter is the total water usage in the mall. The past six(6) months water usage was 32,759 cubic feet. Therefore, the mall is only using a minimal amount of water. The Health Department feels that the Board should approve his request. Mr. Glannon made a motion to modify conditions of the occupancy permit for Palates Delight to allow brewing and serving of coffee, and to perform limited food preparation on a take out basis with the following conditions:

1. Require water reading every year.
2. Not to dispose of coffee grounds into the septic system.

Mr. Heinrich seconded. All were in favor.

The Doctor Inc./ Paul R. Murphy Hazardous Materials Storage Permit

Mr. Murphy seeks a permit for the Storage of Hazardous Materials. Mr. Murphy would like to relocate his facility from 4 Eastern Rd. to 2 Eastern Rd. for the purpose of updating his business image. Among one of the requirements Mr. Murphy needs an underground storage tank to contain any excess Hazardous Waste. Mr. Heinrich made a motion to grant this permit to store oil and antifreeze at 2 Eastern Road with the following conditions:

1. That oil and waste be removed by a qualified disposal service.
2. That regular inspection of underground storage tank be required once a year.
3. That MSDS's be made available for inspection by workers.
4. To make sure that there are sufficient bags of cleanup material available in case of spill.
5. That the containment buffer surrounding the storage drum have the capability of holding 150 gallons.
6. That the tank hold at least 500 gallons.

Mr. Glannon seconded. All were in favor.
